Project Evaluation

Project No:          Group No:          
Project Title:      Group Members: (surnames in alphabetical order)
                   1)                   
                   2)                   
                   3)                   
First Project: [ ]  Second Project: [ ]

Report Evaluation

A. Technical          B. Non-Technical
1. Abstract           1. Cover Page
                     /15                  /5
2. Objective          2. Table of Contents
                     /5                   /5
3. Basic Principles & Background
                     /20                  List of Tables
4. Apparatus & Procedure
                     /15                  List of Figures
5. Sample Calculations & Results & Appendices
                     /35                  3. References
6. Discussion
                     /25                  4. Nomenclature
7. Conclusion & Recommendations
                     /15                  5. Report Language & Appearance

Report Grade Calculation = [ /130 + /30] = [ /160]
